position to establish a credit equal to the benefits enjoyed by only the wealthy class at other stores. The Sycle charge account is the mainstay of many hundreds of households. It is the means of balancing the necessary expenditures with that of clothing needs. It means an easy solution for outfitting every member of the household. Payments can be regulated so that at no time is there the least strain upon the finances. Payments in small amounts each week, every two weeks or once a month will settle the bill with the greatest of ease.

You have at your command a choice of merchandise that ranges the fullest extent of your apparel requirements, from the undergarment to the headgear. You have a choice that is equalled by few stores--surpassed by none. We are specialists in every line we sell, but at regular department store prices. The spring stocks await you now. We are splendidly ready. The rearrangement of the store is complete. Aisles are more spacious than ever-stocks are vaster and with the proper amount of space to display them in. Gauge the depth of our underselling by the array of values slated for the Monday Shopper.
